2021/1538/P	John Myers	26/05/2021 10:34:53	SUPNOT	<p>I support this application. It will provide much-needed additional housing that will help to bring more custom to local shops and restaurants.</p> <p>The materials and design for the facade should be required to match the existing historic materials and design on that side of the street.</p>
