2021/2558/T	Peter McGinty	26/05/2021 19:49:17	SUPPRT	<p>As can be seen from the photo, the tree is clearly dead and has been dead for about two years. If left unattended it will therefore fall at some random moment in the future.</p> <p>The tree is positioned immediately adjacent to the footpath, roadway, car parking spaces, and the front of the house. If it is allowed to fall of its own accord it will very likely cause damage to property and/or to any person walking past.</p> <p>It should therefore be felled as soon as reasonably possible.</p>
