2021/1719/P	Sam Reed	27/05/2021 11:52:40	OBJ	<p>We object to the application on the basis that the proposed fenestration to the front facade is incorrect. The applicants need to follow the Argyle Square guide to its conservation and enhancement which includes details of the correct glazing, clearly shown in the attached 'Survey of London vol XXIV' elevation drawing. The Argyle Square guide was ignored, and we would be grateful if any consent includes the correct historical fenestration and not the incorrect version as shown on the application drawings.</p> <p>We have no comment on the alterations to existing rear extensions and erection of the new ground floor rear extension.</p> <p>Sam Reed. On behalf of the Bloomsbury CAAC.</p>
