2021/1608/P	Ryan Roberts	03/06/2021 11:19:49	SUPPRT	I live on the the top two floors of the property next door and have a direct view into the garden of 24 from my rear windows. I think this proposal is appropriate and the proposed planting scheme would add greenery and a tree that improve my view and minimise the impact of the out-building.
