Dear Mr Young,

Re: planning application 2021/1813/P

I live in close proximity to the proposed mast.

I object to the proposed location as there is already enough unsightly 'street furniture' next to our beautiful green space. Why not stick the mast on top of an already existing tall building for eg the new block of flats next to the park in St Edmund's Terrace or even St Marks's church?

Please reject this proposal as it will just add to the ugly clutter of the neighbourhood.

Yours sincerely,

Jo Higgins
