Dear Sir/ Madam,

I wish to record my concern re the plan listed below. The item proposed may be a vital necessity but ON NO ACCOUNT should it be placed in the site proposed. Projects of this nature should never be allowed to disfigure a site of local beauty. More appropriate, if vital, the item proposed would be better placed close to the Camden railway tracks where other objects of a technical nature are to be found.

Yours faithfully,

Patricia Snell  
34, Princess Road,  
London, NW1 8JL
