FAO: Lauren Hazelton (Case Officer)

Hello Lauren, yesterday (Sun 6th June) i sent you an email regarding my objection to the outdoor seating included in the Space House planning application.

Last night there were a group of males who were drunk, singing and playing music. They were sitting on the stone 'graffiti covered' bench outside of City Lit in Keeley St.

They stayed there making noise for about 1 hour and it was impossible to sleep. Please see video attached.

This is the type of behaviour that Space House and Camden will be inviting by allowing this space to become an outdoor seating area.

Take into consideration that this was a Sunday night and most bars were closed and nightclubs are still under lock-down.

I have had to scale down the video footage to allow Yahoo to be able to attach. I hope you are able to view it ok.

Regards
