Application 2021/1813/P

Dear Mrs Beaumont,

I have been given your email address from Councillor Pat Callahan , I am writing to you regarding the the monstrous idea of erecting an 18ft antenna near Primrose Hill for 5G.

I would like to say that I live in Olfield Estate and by erecting an antenna for 5G will be extremely harmful for all and sundry around this area.

We are working well on the amount of “G”s we have at the moment.

These antenna give off a lot of harmful aspects to people’s health and just for what? More speed for a telephone company! It is absurd.

Please can you help us NOT to have this antenna erected.

Thanking you in advance.

Anne Moor (Primrose Hill resident Oldfield Estate)
