Dear Mr. Young

I wish to voice my objection in the strongest possible terms to the proposed erection of a 5G mast opposite the corner of Regents Park Road and Fitzroy Road, NW1 8UD.

The park (Primrose Hill) is a location of great natural beauty and tranquillity and is a treasure for the residents and many visitors. To defile it with an 18M 5g mast is an abomination of an idea.

Please do not do this!

Mark Hyland

Thank you
