Dear Nathaniel Young

CMN13532 – Regent's Park Road, Swiss Cottage, Camden, London, NW1 8UD

I strongly wish to register my violent protest at the planning application for a mast on the corner of Primrose Hill. On one of the beautiful, tranquil, green corners of the area, it is a completely outrageous proposal. There must be many nearby corners where a mast could be erected without interfering with the beauty of the hill. (How about on the edge of the railway line along Gloucester Avenue, for example?) As a local resident who has been enjoying the calm beauty of the area - and of the Hill itself - [REDACTED], I protest most strongly against this ill-judged proposal.

Yours faithfully,
Carol O'Brien
