Subject: Notification of intended works to a tree

Dear Sir Madam,

I'm writing about a letter I received regarding notification of an intension to fell to the ground a weeping willow tree at 1 Belsize Park.

My comment as someone who lives at 2 Belsize Park, is that I strongly object to this plan. The willow is a beautiful sight, it is a historic tree and trees are helpful for the environment.

Application Reference: 2021/2575/T

Regards,
