

## **Job Profile Information: Team Manager – Youth Early Help Service**

**This supplementary information for Team Manager – Youth Early Help is for Job Level 4 Zone 2**

**Camden Way Category: 4**

**It is for use during recruitment, setting objectives as part of the performance management process and other people management purposes. It does not form part of an employee's contract of employment.**

### **Role Purpose:**

- To take responsibility for management of a team of Youth Early Help Family case managers, ensuring that they are delivering high quality outcome focused support services to children, young people and their families in line with Camden Early Help and Resilience Families Strategy.
- To take responsibilities for ensuring services are delivered in line with local and national standards, ensuring safe, effective and consistent delivery across the team
- To ensure early help cases are managed effectively using the EH help case management policy and procedures.
- To carry out regular case audit to ensure effective delivery
- To work in partnership with a wide range of services, such as social services, police, CAMHS, school etc across Camden.

### **Example outcomes or objectives that this role will deliver:**

- To manage, support and motivate a team of early help practitioners to ensure effective delivery of services to young people and their family that meet local and national standards, ensuring that the service provision is compliant and can adapt to legislative requirement relating to CYP and family services.
- To provide management oversight of youth early help cases, ensuring that the lead professionals addresses risk and vulnerability appropriately
- To ensure cases are managed effectively and in timely manner to achieve desired outcome for CYP and their families
- To ensure effective delivery of innovative and progressive intervention tailored to individual CYP and their family's needs
- To develop a cohesive high performing and empowered team that can adapt and respond to drivers and changing environment and who are able to respond to changes triggered by both users and Service needs.

- To utilise effective planning, monitoring and evaluation techniques to map, analyse and assess the quality of the work being delivered, reviewing regularly against quality assurance and local and national inspection frameworks, taking action when required to address work that falls below a satisfactory standard
- To ensure service users are involved in all aspect of the work including in the assessment, planning and delivery of interventions and programmes, ensuring that the service users feedback inform service development and delivery.
- To establish and maintain strong partnerships with relevant professionals and agencies to share information, reduce duplication and enable CYP and family's access to other services.
- To act as operational lead for the respective team and represent the Service/Council in various forums as required, offering information, advice and data as and when required.
- Undertake all relevant managerial and administrative duties, including budget and asset management, completion of reports, supply of statistical/management information.
- Devise team plan and contribute to the development of service plans and procedures to ensure these reflect the needs of CYP and their family.

### **People Management Responsibilities:**

The post holder will be responsible for managing a team of early help practitioners and would have direct management responsibility for up to 7 staff, taking overall responsibilities for managing performance of the team and service area. In addition, be responsible for managing resources aligned with the team.

### **Relationships:**

- The post holder will be expected to communicate at all levels, from front line staff to senior managers, members and parent, carer as and when required.
- The post holder will be working in a multi-agency context receiving and sharing information to safeguard children and young people.
- The post holder will be working very closely with social services, police and other early help services.

### **Work Environment:**

- The role involves management of a community based; agile team and so would require the post holder to also work from a variety of locations within the community as well as council buildings.

- This role also involves regular contact with people, some of whom may at times be challenging and as the manager, the post holder would be expected to address any concerns raised by public and front line staff in the context of their work.
- There is a requirement to be able to work flexibly and outside normal office hours when required and be flexible and adaptable to ensure consistent delivery of services provision.

### **Technical Knowledge and Experience:**

- Proven experience of supporting staff and partners to develop and deliver outcome focused service provision
- Experience of planning, monitoring and evaluating work against national inspection frameworks and national / local performance indicators
- Proven experience of working with a substantial degree of autonomy and personal responsibility

## **Camden Way Five Ways of Working**

*In order to continue delivering for the people of Camden in the face of ever increasing financial pressure, we need to transform the way we do things. We call this the Camden Way. The Camden Way is a key part of our transformation strategy often referred to as the transformation triangle which links the Camden Plan, the Camden Way and the Financial Strategy together.*

The Camden Way illustrates the approach that should underpin everything we do through five ways of working:

- Deliver for the people of Camden
- Work as one team
- Take pride in getting it right
- Find better ways
- Take personal responsibility
