2021/2770/P	Pauline Cheeseaman	09/06/2021 14:01:55	COMMNT	While I have no objection to the development in principle, I wish to riassemy concerns; 1. The development is too dense, fewer homes, please, no higher than 7 storeys, and with sufficient internal space to make them pleasant ot live in. 2. If the retail and cinema facilities are to be pulled down, (is that really necessary?) then they should be replaced with a similar under cover building 3. Parking for shoppers should be provided, underground? 4. A decent sized community centre would greatly benefit the area, with a large hall for functions - West Hampstead is short of this facility 5. Health and educational faciities should be provided for such a large scale development
