2021/1692/P	Mrs A Gager	10/06/2021 14:31:56	OBJ	<p>I had not realised Camden had given permission for Nos 35 and 37 Fairfax Place to be joined by demolishing internal walls, although I appreciate that the rear dividing garden wall has already been removed.</p> <p>Furthermore, if this is permitted, could all the houses now be knocked into one to form a hotel? As for a first floor balcony - this destroys the uniformity of the mews which is part of its structure and appeal. I really feel the owners of this terraced house are attempting to form a mansion out of a small home.</p>
