2021/1813/P	Jonathan Byatt	11/06/2021 07:45:50	OBJ	Objection: This pole-antenna is completely out of place for the surroundings and will domjnate the atea while reducing access space for path users e.g. families, elderly, disabled. 3 have other options for siting using more hidden building antennas which do not ruin the area. Please reject.
