

## Measurements of Proposed furniture

4 Benches which are 6 foot long and 2 foot deep

4 tables which are 60cmx 60cm with 2 chairs at each table

## The proposed arrangement of the furniture included

Benches will be placed against the two shop fronts, the tables and chairs will be in half of the space between Unit 5 (Superette ) and Unit 6 ( Fam Greengrocers)

The 4 tables will each have 2 chairs, customers are requested to not move the tables to ensure there is enough distance between them.

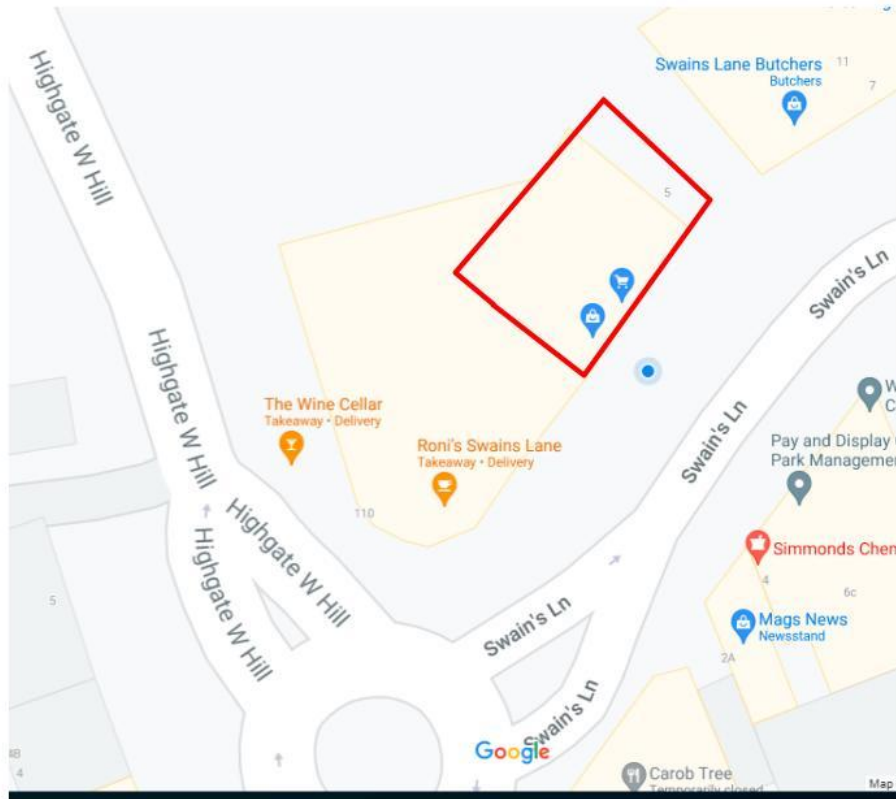

Superette and Bournes fishmongers are owned by the same company and the space between unit 5 & 6 is shared half and half.

## Distance between end of proposed furniture and edge of kerb.

From the benches there is 2.5m distance between the end of the benches and the kerb
