## 4. Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?  Yes  No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Installation of solar panels on existing flat roof of freehold residential property as part of Camden Council's Solar Together programme. The panels will be facing south, ballast mounted and at an angle of 15 degrees to the roof. Access for maintenance will be from existing rebuilt roof hut.

Does the proposal consist of, or include, a change of use of the land or building(s)?  Yes  No

Has the proposal been started?  Yes  No

## 5. Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The property is a freehold terrace house, Use Class C3, lawfully built as such in 1965, so Permitted Development is allowed. The criteria set out in the planning guidelines, as to location and visibility of solar panels in a Conservation Area are met and two similar houses in the terrace 52 and 54 Eton Avenue already have solar panels on their flat roofs.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

C3 - Dwellinghouses

Is the proposed operation or use

Permanent  Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The solar panels will not project more than 200mm above the existing parapet wall (roofline) and will be cited towards the back of the property away from the street elevation. As such the proposal complies with the requirements for Permitted Development in a Conservation Area as outlined on the Planning Portal. Moreover, it is in line with the Greener Homes policy advocated by the government and Camden Council.

## 6. Site Information

### Title number(s)

Please add the title number(s) for the existing building(s) on the site. If the site has no title numbers, please enter "Unregistered"
