Dear team

Please can you give me permission to remove a tree from my property boundary. It is now very large and towers above my conservatory and is getting to a size when I am unable to prune it. Obviously it does not have a preservation order that is fine but I seem to recall there may be something on it but can't remember the info when I bought the house 9 years ago.

The trunk stands 1 m and 17 cms only from the back of my house structure

Please let me know what I can do
