2021/2290/P	Jonathan Byatt	11/06/2021 11:31:31	SUPC	This installation should require no access to South End Close for parking, access or storage. The property is several houses past the junction with SEC but Constantine Road builds have a history of un-negotiated access and use of the estate a an extension to their builds inconveniencing the residents of SEC. No objection to this application - and it should not be an issues based upon ocation - as long as this condition is made clear.
