E. DESCRIPTION OF THE DEVELOPMENT

Has the description of the development changed from that stated on the application form?	Yes <input type="checkbox"/> No <input checked="" type="checkbox"/>
--	---

Please enter details of the proposed development. This should normally be taken from the planning application form.

The application is to utilise the current side extension of both properties and to extend outward beyond the outer rigger of the host building by 4m. The side extensions do not serve as useful purpose and the gardens of these houses are very large, 100ft so going out 4m seems proportionate and reasonable to enable to achieve the manipulation required for 5HLR.

5HLR will be reconfigured with the new living room to the rear to enable the new family to enjoy the garden as it is currently accessed via the bedrooms. The flat will also be reconfigured to accommodate a family with 3 bedrooms to the current living standards. The extension will create needed space with the new configuration to work and to enjoy the 100ft garden the flat has.

It is important to note that the rear garden is sloping upwards and it is roughly 100ft long. Therefore, the elevated garden level will reduce the impact of the overall height of the extension. To illustrate, when one is in the neighbouring garden, the extension will not be visible when a 1.8m standard fencing is in place separating the two gardens.

Currently 3 Hillfield Road is carrying out a program of refurbishment works with a six-meter extension being built that was approved under permitted development as it did not affect the neighbours' amenities. A further application of an infill 3m extension was also approved and in the process of being built.

F. REASON FOR THE APPEAL

The reason for the appeal is that the LPA has:

1. Refused planning permission for the development. ☒
2. Refused permission to vary or remove a condition(s). ☐
3. Refused prior approval of permitted development rights. ☐
4. Granted planning permission for the development subject to conditions to which you object. ☐
5. Refused approval of the matters reserved under an outline planning permission. ☐
6. Granted approval of the matters reserved under an outline planning permission subject to conditions to which you object. ☐
7. Refused to approve any matter required by a condition on a previous planning permission (other than those specified above). ☐
8. Failed to give notice of its decision within the appropriate period (usually 8 weeks) on an application for permission or approval. ☐
9. Failed to give notice of its decision within the appropriate period because of a dispute over provision of local list documentation. ☐

G. CHOICE OF PROCEDURE

There are three different procedures that the appeal could follow. Please select one.

1. Written Representations ☒

(a) Could the Inspector see the relevant parts of the appeal site sufficiently to judge the proposal from public land? Yes ☐ No ☒

(b) Is it essential for the Inspector to enter the site to check measurements or other relevant facts? Yes ☒ No ☐

Please explain.

The most important fact is that the rear garden is sloping upwards and it is roughly 100ft long. Therefore, the elevated garden level will reduce the impact of the overall height of the extension. To illustrate, when one is in the neighbouring garden, the extension will not be visible when a 1.8m standard fencing is in place separating the two gardens.

Another relevant fact is that the side extensions do not serve as useful purpose and the gardens of these houses are very large, 100ft so going out 4m seems proportionate and reasonable to enable to achieve the manipulation required for 5 HLR.

The extension from 5 HLR will create the needed space with the new configuration to work and to enjoy the 100ft long and too narrow garden the flat has.

Currently 3 Hillfield Road is carrying out a program of refurbishment works with a six-meter extension being built that was approved under permitted development as it did not affect the neighbours' amenities.

The proposed extension at 5HLR will not affect the amenity of neighbouring property 7 Hillfield Road as the extension will not be higher than a standard 1.8m fence that can be erected in the garden. That

is why 3 HLR got approval of the 6m extension as amenity was not an issue.
