Reason: For the avoidance of doubt and in the interest of proper planning.

Informatives:

- 1 Reasons for granting planning permission:

The application site is a grade II listed residential property located in the Highgate Conservation Area, comprising an early 19th villa in two-part composition. The main house has a stuccoed brick two storey facade with a hipped slate roof on deep projecting eaves. It was divided into flats in the mid-20th century. The flat in question is at ground floor level and situated to the rear within the western section of the historic building.

Planning permission is sought for installation of a new door to access the existing courtyard. The proposed double door would be designed to match the decorated window at roof level. The design is considered acceptable and the Conservation officer was consulted and raised no objection to the new door being installed.

Given the nature of the works, it is not considered that the proposals would cause undue harm to the residential amenities of nearby and neighbouring properties.

No objections have been raised in relation to the works. The application site's planning history and relevant appeal decisions were taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of The Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposal is in general accordance with policies D1 and D2 of the Camden Local Plan 2017; the proposal is in accordance with DH1 and DH2 of the Highgate Neighbourhood Plan 2017, would be in general accordance with the London Plan 2021 and the National Planning Policy Framework 2019.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).

- 3 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
  
- 4 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at [www.camden.gov.uk](http://www.camden.gov.uk)) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)
