Dear Sirs

**Planning application for reconfiguration of shop front and advertisement consent  
5 Harben Parade, Finchley Road**

We are instructed by David O'Donnell of David AF (4) Ltd with regards to the above property. We have been instructed to submit an application for full planning permission for the reconfiguration of the shop front and for advertisement consent.

Please therefore find enclosed the following documents:

- Completed application form;
- Site Location Plan;
- Block Plan;
- Drawing Rev A showing the reconfiguration of the glazing and the door; and
- Drawing Number 15750 showing the proposed advertisements. Please note that this drawing is only for the purposes of illustrating the advertisements as it does not accurately show the reconfigured glazing and door (which is intended to be delivered on the right hand side as opposed to the left).

Should you have any questions or wish to discuss either application, please do not hesitate to contact the author of this letter.

We look forward to hearing from you that this application can be validated.

Yours faithfully
