**Subject:** 54 St Paul's Crescent proposed tree work

Dear Sir or Madam

I am notifying you of proposed tree work on two trees on my property - 54 St Paul's Crescent, NW1 9TN (Cantelowes Ward).

The first is to a leylandii at the front of the property which is hanging over the wall into the pavement and into the Maiden Lane Estate to the side. We are proposing to reduce it by one third.

The second is a large crab apple tree at the back of the property, the crown of which is to be reduced by one third.

I would be grateful if you could confirm that we have approval for these works, or direct me to where I should officially register.

With thanks in advance for your help in this matter

Felicity Awdry
