For the attention of Matthew Dempsey

Dear Sirs,

Application number 2020/4437/P seeking Planning Permission to develop telecommunications

equipment at 25 Hampstead High Street, NW3 1QJ by Waldon Telecom Ltd on behalf of

Cornerstone and Telefonica

I have had a look at this application and have also seen the letter of objection sent to you by Angus Hislop. Although I do not live in the building at 25 Hampstead High Street and therefore do not have the same direct and personal interest in this application I would nonetheless, as a concerned resident living not far from 25 Hampstead High Street in Gayton Road, like to strongly support and endorse the objections raised by Mr Hislop.

As an aside I do not understand how Waldon Telecom Ltd can even legitimately be permitted to make this application when the residents of 25 Hampstead High Street already have a recent planning permission for a roof terrace (Ref. 2020/1774/P) with which this proposed application would clearly be in conflict.

Yours faithfully

Peter Rutzer
