Application ref.: 2021/2472/P

Thank you for consulting TfL on this application, copy attached.

Having assessed the proposals, I can confirm that TfL Spatial Planning has no strategic comments to make on this planning application other than to emphasise the development should comply with the transport policies set out in The London Plan 2021. In particular the car and cycle parking standards in tables 10.2 - 10.6 (inclusive). Cycle parking should comply with the London Cycling Design Standards (<https://tfl.gov.uk/corporate/publications-and-reports/streets-toolkit>).

Please contact me if you consider that there are any strategic as opposed to local transport issues raised by this case.

Regards
