Dear Sir

**Providence Corner, Well Road, London NW3 1LH: Listed Building re 1379161  
Application for Certificate of Lawfulness of proposed works to a listed building**

I am the owner of the above listed property. I enclose herewith an application for a certificate of lawfulness of proposed works. The application relates to like for like replacement of casements to two mansard roof dormer windows, which are damaged beyond repair.

The application is made pursuant to the provisions of section 26H Planning (Listed Buildings and Conservation Areas) Act 1990 and regulation 2 of the Planning (Listed Buildings) (Certificates of Lawfulness of Proposed Works) Regulations 2014 SI 2014 No 552 ("the Regulations").

I submit the following documents:

1. Completed application form, on the standard form published by the Secretary of State, in accordance with regulation 2(1)(a) of the Regulations.
2. Two plans identifying Providence Corner, the listed building.
3. Photographs of each the two windows in their existing state (internal and external).
4. Drawings of the proposed new casements.

I am sending this letter and attachments by email. As far as the email version of this letter is concerned, it may be that the photographs at item 3 will have to be sent by a number of emails, depending on the electronic size of the photographs.

Further, whilst I note some advice on the website about paper applications, out of an abundance of caution and in order that you can hard copy photographs, I have also sent it in hard copy by mail. Enclosed with the hardcopy version are the original of each of items 1 to 4 above, and three copies of items 1, 2 and 4. If you require further copies of the photograph prints, please let me know.

I look to receiving notification from you confirming that this application has been received.  
Please do not hesitate to get in touch if you require any further information.  
In the meantime I thank you for your kind attention.

Yours faithfully
