Proposal	Replacement of existing non-original rear window at ground floor with a traditional styled, sash timber framed slimline double-glazed window and replacement of non-original existing rear door at lower ground floor level with timber framed slimline double-glazed door to match others in the property.
No Objection	Yes
Comment	Yes
Observations	The proposals appear to be an improvement on the existing unsympathetic fenestration, and as there is no loss of original glass or framing, the CAAC welcomes the changes.
