Dear Sir/Madam

294 - 295 High Holborn - 2017/1827/P

Condition 16 of the above Consent requires the detail of the location, number and specification of the monitors for air quality monitoring prior to and during the course of the development.

As the intention is to start on site in mid July these details are now submitted for approval. In addition the attached Report includes the results for the first month of monitoring which commenced on 13th April. Subsequent monthly Reports will be sent to the Council in the lead up to the commencement on site and thereafter during the course of the development.

As such, I trust this Condition can now be discharged.

Yours faithfully

Director Braeside Developments Ltd
