2021/3130/T	Cllr Leo Cassarani	30/06/2021 08:59:21	COMM	<p>This is one of the most majestic trees on Aberdare Gardens, and appears significantly taller than the terraced properties on the street. As such it makes a very significant contribution to the green and leafy character of the South Hampstead Conservation Area. I believe the applicant knows this and that's why no photos of the full height of the tree can be found in the application.</p> <p>Though I have sympathy for the applicant's claims of subsidence, it's clear that no other management strategies have been attempted. The applicant should be encouraged to explore those, and the felling of the tree should not be allowed. Indeed, I believe a TPO should be issued for this tree as its felling would be an incalculable loss to its road and the wider area.</p>
2021/3130/T	y.stobezki	30/06/2021 08:55:03	JUST	<p>why? is the tree ill? too many trees are being cut down in that street. please re consider if really necessary.</p>
