I am the owner of Flat 2, 26 Courthope Rd NW3 2LD, adjoining No 24 Courthope Rd, the owners of which have applied for permission to have the tree in their front garden felled to ground level. I wish to let it be known that I have no objection whatsoever to this proposal, as the tree has grown too large and I have recently asked my next-door neighbours to at least, have it lopped. I therefore welcome this proposal.
