5. Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The basement and ground floor of the premises have been in a long-standing retail use that has become lawful over the passage of time. This use is confirmed, inter alia, by the planning permission permission from 2005 (reference 2005/4044/P) for "alterations to shopfronts at 36 and 38 Earlham Street, including reinstatement of original doors and fanlights, with partial removal of blocked in entrances".

5. Grounds for Application

Valuation office agency rates also confirm the use of the basement and ground floors of 36 Earlam Street as a “Shop and premises” dating back to 2010.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. Class E

Is the proposed operation or use ☒ Permanent ☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The basement and ground floor of 36 Earlam Street have been in historic retail (formerly Class A1) use. Following changes to the Use Class Order in September 2020, the unit now has a lawful Class E use.

The proposed introduction of a small dog grooming use in the basement is considered to remain within Class E, due to Part E(c)(iii) of the revised Use Class Order including “Other appropriate services in a commercial, business or service locality”. This notwithstanding, the grooming use remains ancillary to the ground floor retail use.

It is therefore considered that the proposed uses across the basement and ground floor are lawful within Class E and therefore do not require planning permission and a Certificate of Lawfulness of Proposed Use or Development should be granted.
