Dear Luigi,

Re: 2021/2955/P: 15A Elizabeth Mews, London, NW3 4UH – Details of roof slates required by condition 4 of planning permission 2020/0489/P, dated 07/08/2020 (for: alterations to openings, replacement roof slates, excavation of side garden, installation of railings)

Thank you for submitting the above application on 17/06/2021. I will be your case officer and I have just validated the application.

Please be advised that, in accordance with planning law, some of the information you provide with your submission will be made public. However, we will remove personal information about the applicant, except their name and address. Please see the [planning service privacy statement](#) for how we use personal data.

I note that a photograph has been submitted with the application which shows part of 2 slates. Can you clarify what the photograph shows? Is it a current tile and a replacement tile?

If I need anything else I will be in touch. Otherwise, I look forward to hearing from you regarding my question about the photograph.

Kind regards

Kate Henry
