Dear Kate Henry,

I was appalled to hear of this proposal your department has received from Jiffy. The traffic at the junction of Hendon Way, Lyndale Avenue and Finchley Road is already completely over-crowded.

Nearby residential roads to the Briardale Gardens/Finchley Road site (Cascade Flats) are polluted and are also closed at one end for much of the the day, because of the traffic congestion.

Such a project would be entirely inappropriate, bringing even more traffic into these narrow roads.

This is NOT a suitable site for a business, let alone one where the coming and going of traffic would be so intense.

I earnestly request that this proposal is firmly rejected.
