Dear Sir/Madam,

I am writing to officially protest the planning application at the basement of the cascades flats.

The reasons have been well documented such as:

- Increase in traffic congestion and pollution from an already congested area
- Delivery vans driving to deadlines through residential areas

I am not clear how recent changes in Briardale Gardens to prevent these exact same concerns are now being planned on an even bigger level.

I and others will be organising local support in accordance with these objections, which will also reflect in our voting policies.

Yours sincerely
Felix Economakis
