Morning Enya and Jennifer

Hope all's well with you both.

Please register an objection against all your phone hub applications from Cllr Harrison (see email below). He's a ward councillor for Bloomsbury, but wants to object to all of the proposed hubs in the borough regardless of wards.

Thanks  
Tony

Hi Tony

I'd like to object to all of these on the grounds of street clutter and visual impact please.

I also believe there are some similar applications in other wards that have come in. Is that right?

Thanks!

Adam

Cabinet member for a sustainable Camden
