

Quiet Contemplation Room 2

Please find below:

- image of previous QCR2 build (which was demolished as part of the agreement with Camden following the construction of the new student centre),
- foundations which currently remain following removal of the building, and
- proposed render images of the cycle shelter (the existing foundations will be clad using matt black composite board to match adjacent QCR1 building).

Previous QCR2 building (now removed):

Current foundations following removal:

Proposed cycle shelter:
