

SHEET NOTES

- All dimensions are indicative and they need to be checked on site by the contractor before construction proceeds and prior to the fabrication of any component.
- This drawing is based on survey information by others.
- All dimensions to be in millimetres unless otherwise specified.
- All building works are to be carried out in accordance with current British/European Standards and the Building Regulations.
- Refer to Structural Engineer's drawings, details and specifications for all structural components.
- Refer to Mechanical & Electrical Engineer's drawings, schedules and specifications for all services.
- This drawing is to be read in conjunction with the Design and Access Statement submitted with the planning application.
- For occupied buildings, safe, clear access and means of escape to be maintained at all times during works in accordance with the Construction Phase Health and Safety Plan.
- Any discrepancies between the drawings and site conditions shall be brought to the attention of the Architect/CA for resolution.

- EWS1 - Travertine rainscreen cladding
