

**Subject:** 2021/2446/P RE: Basement floor 368-370 Cascades Apartments, Finchley Road London, NW3 7AJ

Dear Sirs

We are a business located at 392 Finchley Road NW2 2HR,

We profusely object to the above planning application as it will impact the local area negatively:

- 1) The level of pollution will increase
- 2) Traffic and general movement will become significantly more difficult for existing businesses and residents
- 3) The area will become congested and unpleasant .

Please do not allow this applicant to proceed.

We also object on the behalf of all tenants at Dasuki Liberty Court, 16 Briardale Gardens London NW3 7PP as we manage the whole block of seven flats. All seven residents above requested we include their objections. This objection is therefore eight independent units.
