2021/2456/P	Shirley Skrentny	15/07/2021 18:10:50	COMMNT	On behalf of my next door neighbours (no 82 Burghley Road) I would like to propose that the householders of 80 Burghley Road consider a sloping room to their extension which would reduce the impact of light restriction for 82 Burghley Road. This is the type of extension we have in our home (84 Burghley Road) and I will invite the householders of this application to view the pleasing result in our house, which does not reduce the floorspace of the extension at all.
