

General notes:

All dimensions are approximate and subject to a full measured survey
All drawings to be read in conjunction with Structural Engineers and Services
Engineers drawings. Any discrepancies are to be highlighted and brought to
the attention of the Architects.

Health and safety notes:

Acqual bandling

Manual handling
Avoid as far as reasonably practicable hazardous handling operations,
including heavy lifting loads and working over shoulder height.

Confined space / Working at height
Safe access to be provided when working at height.
Be aware of restrictions placed on movement when working with temporary access equipment.

Care to be taken when fixing vertical elements to allow for secure fixing when fitting.

Personal protective equipment
Appropriate equipment to be worn at all times while on site.

## Material hatches:

Temporary propping

No
