2021/2418/P	Carol Salter	19/07/2021 13:16:04	OBJ	<p>I write to voice strong objection against this planning application. I agree with my neighbours. Previous work on the blocks have caused damage to the adjoining flats.</p> <p>The proposed development will also result in adverse impact upon neighbours, amenity and local character through inappropriate massing and scale, particularly owing to the loss of garden area.</p> <p>The proposed development therefore exhibits poor design, and as such, this application should be refused by the Local Authority</p>
