2021/2954/P	Christine Gray	20/07/2021 09:33:29	OBJ	I strongly oppose this proposal. The building will be far too tall for the area. It will also interfere with natural light in the area around it. There is no need for more offices in this area. We need affordable housing and this proposal does not provide adequately for affordable housing. The proposal does not provide enough open space for the workers.
