The Council has considered your application and decided to grant consent subject to the following condition(s):

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 2 No advertisement shall be sited or displayed so as to
 - (a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);

(c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 3 Any advertisement displayed and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

- 5 Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

Informative(s):

- 1 Reasons for granting permission/consent

The proposed signage is considered to be acceptable in terms of its size, design, location, method of illumination and luminance level, and is considered to represent an improvement on the existing situation given the relocation of the high level blade sign to fascia level, where they are typically located. The proposed fascia sign would be externally illuminated which is considered acceptable given the site's location in a conservation area.

The proposed signage would not have any adverse impact on neighbouring amenity, nor would it be harmful to pedestrians or vehicular safety in accordance with Camden Planning Guidance. Neither would it obscure or damage any significant architectural features, nor detract from the character and appearance of the Camden Broadway Conservation Area.

The site's planning and appeals history has been taken into account when coming to this decision. No objections have been received.

As such, the proposal is in general accordance with policies A1, D1, D2 and D4 of the Camden Local Plan 2017, the London Plan 2021, and the National Planning Policy Framework 2019.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2019.
