2021/3081/L	Sibylle Tretera	28/07/2021 06:32:10	COMMNT	It would set precedence for more changes in Church Row and contribute to the damage of the important cultural heritage of the street. We should not consent to changes on the fassade of a listed building which in essence is what the owner is proposing. Church Row is one of the most unique historical locations in Hampstead, often used as backdrop for filming. By installing unsightly security cameras on the exterior we are changing the appearance of the street.
