Proposal	Erection of planters and landscaping to the front to create external seating area
No Objection	Yes
Comment	Yes
Observations	DPCAAC welcome this additional greening at the junction of Swains Lane and Highgate West Hill. However care must be taken to make sure the planters are within the Commercial Unit 2 Lease Boundary which should be clearly marked on the pavement. These planters should be securely fixed to the pavement. The pavement should be wide enough to accommodate all manner of pedestrians particularly adjacent to the Unit 1 wine bar entrance. The scheduled installation of the pedestrian crossing on Highgate West Hill in the near future should also be taken into account by the responsible council officers.
