Request to waiver planning permission: Notice for Emergency removal of Laburnum tree
Garden Maisonette 97, Gloucester Avenue, Primrose Hill London NW1 8LB
We are writing to request a waiver to planning permission for the emergency removal of our laburnum tree that has become dangerous. Please see the photograph evidence attached.

As you can see from the attached photograph the tree has fallen down/collapsed and is now only be held in place by the ivy entwined on the flexible, wire support on the top of our wall. It is likely to cause injury to both adults and children.
We are given notice that we arranging for it to be removed.
