Dear Leela,

Thank you very much for sending these details. This was very useful.

I do indeed have a further query, which partly relates to the same application.

We have been trying to find the "figures" and "appendices" listed in the contents of document <https://www.camden.gov.uk/documents/20142/2247044/GHH+study.pdf/12f5a776-e382-21fe-8dbd-04ea4db575b3>, but the version available online ends after the list of references.

Would it be possible for you to tell us where we can find these additional parts of this document?

Thank you very much,

Therese Gray

Dear Planning,

I have not been able to get through to anyone on the numbers suggested below so I am sending you this email.

No-one on Highgate CAAC has been able to look at Historic England's comments on application 2021/3172/L.

Even people with Word on their computers have found the relevant document on the page for this application comes up as gobbledegook.

Ideally we would like to see what they have said before we send you our comments on this and the related application 2021/2794/P.

Could you send us Historic England's comments on the application as plain text or as a .pdf file? Thanks very much!
