2021/3103/P	Dorothy Marden	28/07/2021 11:41:02	COMMNT	I and my husband Leslie Sklair are owners of 4 and 5 Eglon Mews and have lived here for over 10 years. We have 10 solar panels (installed in 2011) on the roof of 5 Eglon Mews which will be partially shaded by the proposed extension. I have asked the owner of no 6 to speak to her architects to see how the parapet wall can be reduced in height as much as possible.
