Do not scale. Use figured dimensions only. All dimensions to be checked on site.  
 All drawings to be read in conjunction with the Engineer's drawings. Any discrepancies between consultants drawings to be reported to the Architect before any work commences.  
 The drawings are issued for the Client's use only. They are not to be used for any other purpose without the written consent of the Architect.  
 These drawings shall not be considered as a complete and final 'For Work' Package. Contractors, planning, health and safety obligations still apply when undertaking constructional operations both on and off site.
