This was reported.</p> <p>The rear garden of 52 Aberdare has excessively high trees that block alot of sunlight of 54 Aberdare gardens leaving the grass damp and in shade.</p> <p>The rear trees to the far side fence of 52 Aberdare block the view of glass roof of flat 1, 54 Aberdare gardens. This needs to be addressed by proposed tree works. Please provide details of this.</p> <p>The height of 52 Aberdare rear trees need reducing on the border fence side with 50 Aberdare gardens. If so, by what height to ensure foliage privacy remains between properties 52 and 54 Aberdare?</p>
